We invite the community, interested groups and associations to come along and join us for

MORNING TEA

to discuss where we are in the campaign to bring train services back to our town. Our vision is to open up the line from Armidale to Wallangarra and have regular daily services for travellers, freight and heritage trains. Armidale and Glen Innes have their own groups affiliated to Trains North, but we need to form our own group here in Tenterfield affiliated to Trains North to carry forward our campaign.

Come along and express your support, hear what's happening, discuss and ask your questions in a social friendly atmosphere.

NOTHING VENTURED, NOTHING GAINED.

Morning tea will be provided but would ask for a donation towards the cost.

For any enquiries please call Phyllus Jones on 0415526708.
